

artDialog

版本：v6.0.5

参考网站

<http://blog.csdn.net/luo201227/article/details/39003795>

http://www.51xuediannao.com/js/jquery/artdialog_v6api.html

引入相关js

```
<script src="<%=request.getContextPath()%>/js/jquery/jquery-1.7.js"></script>
<link rel="stylesheet" href="<%=request.getContextPath()%>/js/artDialog-
master/css/ui-dialog.css">
<script src="<%=request.getContextPath()%>/js/artDialog-master/dist/dialog-
plus-min.js"></script>
```

弹出框（警告框）

```
var d = dialog({
    title: '欢迎',
    content: '欢迎使用 artDialog 对话框组件！',
    cancel: false,
    ok: function () {}
});
d.show();
```

弹出框（文本框）

```
var add_from = dialog({
    title: '增加图书',
    // url:"ssh-art/book!toAddBook.action",
    content: add_from_div,
    okValue: '确定',
    ok: function () {
        this.title('正在提交..',1);
    },
    cancelValue: '取消',
    cancel: function () {
```

```
        this.title('已经取消..',1);  
    }  
});
```

```
add_from.show();
```

提示框

```
var d = dialog({  
    content: "提示"  
});  
d.show();  
setTimeout(function () {  
    d.close().remove();  
}, 2000);
```

弹出模态窗口

```
add_from.showModal();
```
